

FIJI NATIONAL UNIVERSITY
College of Medicine, Nursing & Health Sciences
Minimum Entry Requirements for Programmes

School of Health Sciences

The Department of Health Sciences offers academic programmes in a variety of health care multi-disciplines from undergraduate Certificate to Postgraduate levels. Academic programmes offered by the Department includes Laboratory Sciences, Medical Imaging Science, Pharmacy and Physiotherapy. The Department also includes the Basic Medical Sciences of Anatomy, Physiology, Biochemistry, Pharmacology, Microbiology and Pathology. The Basic Science experts in the Department provide tuition to undergraduate medical and allied-health students, as well as students in Oral Health and Public Health departments of the College. Most of the programmes offered by the Departments are accredited nationally and regionally.

NAME OF PROGRAMME	ENTRANCE REQUIREMENTS	MODE	DURATION
Certificate in Disability & Community Based Rehabilitation Level 5	1. A pass in the Year 13 Examination, or its equivalent, with a minimum aggregate marks of 250 out of 400 including a 50% pass in English and at least 3 science subjects OR 2. A pass in full Foundation Science programme, or its equivalent, having a minimum Grade Point Average (GPA) of 2.5 out of 5 or out of 4.5. 3. Regional and international students will need qualifications assessed by the South Pacific Board of Education Assessment (SPBEA) or HEC (Higher Education Commission) 4. Mature-age entry or conditional enrolment: interested applicants with relevant work experience may be considered for placement upon approval by the Programme Coordinator, as per the University Academic & Student Regulations (UASR).	FF	1 Year

Certificate in Phlebotomy Level 5	1. A pass in the Fiji Year 13 Examination or the equivalent, with a minimum aggregate of 250 out of 400. (With at least 50% passes in English, Biology and Chemistry/Physics or with an equivalent qualification such as full Foundation Science with GPA of 2.5).		1 Semester
Certificate in Clinical Laboratory Technology Level 5	1. A pass in the Fiji Year 13 Examination or the equivalent, with a minimum aggregate of 250 out of 400. (With at least 50% passes in English, Biology and Chemistry/Physics or with an equivalent qualification such as Full Foundation Science with GPA of 2.5).		2 Years
Bachelor of Pharmacy	1. A pass in the Year 13 Examination, or its equivalent, with a minimum aggregate marks of 320 out of 400 in Mathematics, Chemistry (at least 75%), either Biology or Physics including 50% pass in English OR ; 2. A pass in full Foundation Science programme, or its equivalent, with a minimum Grade Point Average (GPA) of 3.7 out of 5 or/and out of 4.5 of the full Foundation Science programme with at least ReviB+ in Chemistry.	FF	4 Years
Bachelor of Medical Imaging Science	1. A pass in the Year 13 Examination, or its equivalent, with a minimum aggregate marks of 250 out of 400, including a mandatory pass in English, Physics and Biology OR ; 2. A pass in full Foundation Science Programme, or its equivalent, with a minimum Grade Point Average (GPA) of 2.8 out of 4.5 or 3.0 out of 5.0 and a mandatory pass in English, Physics and Biology OR ; 3. A minimum Grade Point Average (GPA) of 2.8 out of 4.5 or 3.0 out of 5.0 in Bridging full Foundation Science Programme or Unclassified full Foundation Programme with a mandatory pass in English, Physics and Biology OR ; 4. A holder of Certificate, Diploma or Degree in any of the Life/ Health Sciences Programme. 5. Mature / Lateral Entry - holder of Certificate or Diploma in Diagnostic Radiography from CMNHS/FSM or its equivalent institution. Admission will be based on merit until the required student numbers for the programme is met (also refer to FNU UASR Enrolment Section) Recognition of prior learning (cross-crediting) will be based on prior qualification. Credit will not be granted where the content of a course taken in the first program was taken		3 Years

	<p>more than 10 years prior to enrolment into BMIS.</p> <p>Deferral from study can only be granted for one complete academic year. A student will not be allowed to defer study on more than two occasions.</p>		
Bachelor of Medical Laboratory Science	<ol style="list-style-type: none"> 1. A pass in the Fiji Year 13 Examination with a minimum aggregate of 250 out of 400. Plus, 50% passes in English, Mathematics, Biology and Chemistry or with an equivalent qualification such as full Foundation Science, USP (GPA of 3.0). 2. Fiji or regional graduates with a certificate or diploma qualification in medical laboratory sciences will have to provide the syllabus for the programme they undertook to receive cross credits. Courses undertaken more than 5 years ago or any changes in the course curriculum will NOT qualify a candidate for cross credit. 	FF	4 Years
Bachelor of Physiotherapy	<ol style="list-style-type: none"> 1. A pass in Year 13 Examination, or its equivalent, with a minimum aggregate marks of 250 out of 400 in four subjects - Mathematics, Biology and Physics/Chemistry including 50% pass in English, OR; 2. A pass in full Foundation Science programme, or its equivalent, with a minimum Grade Point Average (GPA) of 2.5 out of 5 or out of 4.5 for the above subject combination. 3. Regional and International students will need qualifications assessed by the South Pacific Board of Education Assessment (SPBEA) or HEC (Higher Education Commission). 4. Mature-age entry or conditional enrolment: relevant work experience and evidence of appropriate continuing education may be considered for placement upon approval by the Programme Coordinator, as per the University Academic & Student Regulations (UASR). 5. Graduates from the Certificate in Disability & Community Based Rehabilitation programme may be considered based on academic merit (GPA of 3.0 out of 5) 	FF	4 Years
Bachelor of Physiotherapy - Bridging (will be phased out in 2018)	<ol style="list-style-type: none"> 1. Successfully passed all the requirements for the Diploma in Physiotherapy. 	FF	2 Years

<p>Postgraduate Diploma in Pathology</p>	<ol style="list-style-type: none"> 1. Graduates with MBBS and at least 2 years' experience following internship. One year of this would preferably be in pathology laboratory at a tertiary hospital and with medical registration in Fiji. 2. Other criteria as per FNU/CMNHS student admission rules and regulations. 3. A waiver to these pre-requisites can be made in certain circumstances. 	<p>FF</p>	<p>2 Years</p>
<p>Postgraduate Diploma in Medical Ultrasound – not offered in 2017</p>	<ol style="list-style-type: none"> 1. Applicants should hold an appropriate first degree in medical imaging. 2. Those with a diploma equivalent in the above mentioned discipline will be encouraged to first pursue bridging in our available Bachelor of Imaging Science Programme. <p>NB. However entry requirement as per 4 below may apply.</p> <ol style="list-style-type: none"> 3. Applicants who hold a first degree in radiation therapy and nuclear medicine will be considered. 4. Applicants, who hold a first degree in any of the Health Science disciplines including Nursing, may also be considered. 5. For applicants who may not meet the requirements as per 1, 2, 3 above, but who are able to demonstrate their ability to succeed in the programme at this level on the basis of their other qualifications/prior learning, maturity and appropriate experience in medical sonography, may also be considered for admission as mature entry candidates. For such candidates and in accordance with the CMNHS's Monitor of Students' Progress Policy, he/she will enrol in the first semester courses which will need to be passed to progress further. 	<p>FF</p>	<p>2 Years</p>
<p>Master in Pathology</p>	<ol style="list-style-type: none"> 1. Postgraduate Diploma in Pathology– or international equivalent. 2. Other criteria as per FNU/CMNHS student admission rules and regulations. 3. Good standing with reference from previous/current employer. Exceptions for time-limitations may be made subject to an assessment of applicant's work record. 	<p>FF</p>	<p>2 Years</p>

School of Medical Science

The Department of Medical Sciences has been training Doctors since 1885 and is responsible for coordinating six years of undergraduate training, leading to the Bachelor of Medicine and Bachelor of Surgery (MBBS) degree.

The Department has a rich complement of international staff that creates an interesting mix of skills and culture and is also responsible for postgraduate training in Anaesthesia, Medicine, Obstetrics and Gynaecology, Surgery and Paediatrics. Postgraduate training is also available in Emergency Medicine and Mental Health.

NAME OF PROGRAMME	ENTRANCE REQUIREMENTS	MODE	DURATION
Bachelor of Medicine & Bachelor of Surgery	1. Candidates from Fiji should have attained a minimum score in the Fiji Year 13 Examination of 340 marks out of 400 including 65+ in English AND Biology, plus the 2 science subjects Chemistry or Mathematics or Physics or Information Technology) OR ; 2. A minimum GPA of 4.55/4.6 from FNU or GPA of 4.1 from USP in full Foundation Science programme including a B grade in English AND Biology, plus 2 other science subjects: Chemistry / Mathematics / Physics /Information Technology); Candidates who have completed a BSc should have attained a minimum GPA of 3.5 . 3. Regional students will be considered for admission based on a grade in the SPBEA Year 12 assessment of less than 10 made up of grades in English, BIOLOGY and the best 2 Science subjects; together with Year 13 grades demonstrating an equivalent level of achievement. Candidates from the American-associated Pacific should have graduated from high school in the top 10% of their graduating class, and have completed at least one year of tertiary education, preferably in science subjects. *if we do not get the prescribed intake number of students then the MER may be lowered and considered on case by case basis until the prescribed number is reached.	FF	6 Years
Postgraduate Diploma in Anaesthesia	1. A minimum of three years' work experience as a doctor after graduation with an MBBS degree from a recognized institution and with medical registration in Fiji.	FF	1 Year

<p>Postgraduate Diploma in Internal Medicine Postgraduate Diploma in Surgery Postgraduate Diploma in Child Health Postgraduate Diploma in Obstetrics & Gynaecology</p>	<p>2. Ideally, for the post-graduate clinical programmes, one of the three years post-MBBS would have consisted of practice within the specialty area of study. 3. Good standing with and reference from previous/current employer. 4. A waiver to these pre-requisites can be made in certain circumstances</p>		
<p>Postgraduate Diploma in Mental Health</p>	<p>1. Duly certified papers attesting to completion of the required qualifications MBBS degree, Bachelor in Nursing/Bachelor in Public Health Nursing or other relevant Bachelor's degree in the social sciences from a recognised tertiary institution in the country of origin or overseas and with medical registration in Fiji. 2. Certificate of good moral character from previous supervisor. 3. Satisfactory results of general physical examination (signed by appointed medical doctor). 4. Police clearance</p>	<p>FF</p>	<p>1 Year</p>
<p>Postgraduate Diploma in Emergency Medicine</p>	<p>1. Duly certified papers attesting to completion of the required basic medical degree (MBBS or MD) from recognised tertiary institution in country of origin and with medical registration in Fiji. 2. Certificate of good ethical and moral character from previous supervisors/institutions. 3. Satisfactory results of general physical examination (signed by appointed medical practitioner). 4. Police clearance.</p>	<p>FF and Online</p>	<p>1 Year</p>
<p>Master of Medicine in Anaesthesia Master of Medicine in Internal Medicine Master of Medicine in</p>	<p>1. At least a 'B' grade pass with a minimum of 65% overall scores in the relevant Diploma programme – applicant should have obtained a Diploma in the related field within the last 3 years from intending year of study and with medical registration in Fiji. 2. Good standing with reference from previous/current employer. Exceptions for time-limitations may be made subject to an assessment of applicant's</p>	<p>FF</p>	<p>Each Master's Degree is for a 3 Year duration.</p>

<p>Paediatrics Master of Medicine in Surgery Master of Medicine in Obstetrics & Gynaecology</p>	<p>work record. This assessment will be made by the post-graduate advisory committee.</p>		
<p>Master of Medicine Emergency Medicine</p>	<ol style="list-style-type: none"> 1. Completion of the required PG Diploma of Emergency Medicine at or greater than 65% pass – or international equivalent. (e.g. completion of PGY1 in EM Fellowship (Australasia) or EM Residency programme (USA). 2. Reference stating above average performance and good ethical and moral character from previous supervisor/institutions. 3. Submission of up to date Curriculum Vitae detailing postgraduate training, courses and experience. 4. Ability to transfer to campus offering programme 5. Ability to attend, and success at interview on application for place on programme. 	<p>FF</p>	<p>3 Years</p>

School of Nursing

The School of Nursing strives to produce theoretically and clinically competent nurses. The School's programmes are tailored to train students and registered nurses to be independently safe practitioners in Fiji and the Pacific region. An internationally recognised curriculum focuses on elevating nursing skills.

Attributes of nursing skills are centered on nurses' confidence and knowledge within the community, the healthcare team and the health care system as a whole. For registered nurses, specialised training in areas pertaining to Midwifery, Nurse Practitioner, Public Health Nursing and Mental Health Nursing are also offered by the school.

NAME OF PROGRAMME	ENTRANCE REQUIREMENTS	MODE	DURATION
Certificate IV in Enrolled Nursing MER – not offered in 2017 Level 4	<ol style="list-style-type: none"> 1. A minimum aggregate score of 250 in the year 12 Examination, with a pass in English, Biology and another science subject. 2. Between 18 to 35 years of age. 3. Ability to demonstrate relevant attributes, such as care, commitment, dedication and communication skills, via an interview. 4. Ward assistants who are currently employed by MOH with minimum of 3 years" experience. 5. Individuals with qualifications and/or experiences in care giving programmes may be considered. 	FF	1 Year
Bachelor of Nursing	<ol style="list-style-type: none"> 1. A pass in the Fiji Year 13 examination or the equivalent with a minimum aggregate score of 250 out of 400. A mandatory pass of at least 60% or more in English and Biology, and at least 50% in Mathematics and another science subject preferably Chemistry. 2. A minimum GPA of 3.0 in the full Foundation Science from a recognized Tertiary Institution with a mandatory pass in English, Biology and Maths with another science subject preferably chemistry. 3. Regional students will be considered for admission based on (2) above and its 	FF	3 Years

	<p>equivalence in the Secretariat of Pacific Board for Educational Assessment (SPBEA).</p> <p>4. Applicants with any other academic qualification(s) or standing will be referred to the Registrar's Office for advice.</p>		
Bachelor of Public Health Nursing – Bridging	<p>1. Must have graduated with a Diploma in Nursing with a minimum of two (2) years of experience</p> <p>2. School of Oral Health

The Department of Oral Health offers a 5 Year 'multi entry, multi exit' programme with the goal of educating students to serve their patients and communities well and to prepare them to continue to grow in skills and knowledge over their lifetime of practice.

Students who exit in the third year can graduate with either the Diploma in Dental Technology or the Bachelor of Oral Health or as articulated in the entrance requirement they may continue to satisfactorily complete the last two years and graduate with the Bachelor of Dental Surgery.

NAME OF PROGRAMME	ENTRANCE REQUIREMENTS	MODE	DURATION
Certificate in Dental Hygiene	1. A pass in the Fiji Year 13 Examination or the equivalent, with a minimum aggregate of 250 out of 400 with at least 50% passes in English, Maths, Biology and Chemistry/Physics or with an equivalent qualification such as full Foundation Science with GPA of 2.5	FF	2 Years
Diploma in Dental Technology	1. A pass in the Fiji Year 13 Examination or equivalent with a minimum aggregate of 250 out of 400. With compulsory pass in English, Mathematics and Biology and one other science subject e.g. Physics or Chemistry.	FF	2 Years
Bachelor of Oral Health (This is a new programme and it subsumes the former programmes: Certificate in Dental Hygiene and Diploma in Dental Therapy)	<p>1. Fiji Year 13 Examination Pass of 300 and above or equivalent. full Foundation Science with minimum GPA of 3.5. Should have a compulsory pass in English, Maths and Biology and one other Science subject e.g. Physics or Chemistry.</p> <p>2. Candidates who have completed a BSc should have attained a minimum GPA of 3.0.</p> <p>Lateral Entry</p> <p>1. A bridging programme will be implemented for CDH and DDTh graduates to attain the BOH degree qualification. This will run for one year maximum for full time students.</p>	FF	3 Year

<p>Bachelor of Dental Surgery</p>	<p>1. Will be based on application and students should obtain an average 65%, weighted as per FNU course credit points or above with a pass in theoretical subjects (BOH2) and a compulsory pass in Clinical Dentistry.</p> <p><u>Lateral Entry</u></p> <p>1. For students exiting from current undergraduate programme (multi-entry/exit), graduates with a Certificate in Dental Hygiene, Diploma in Dental Therapy/BOH or Diploma in Dental Technology must have a minimum of 3 years work experience at that level from date of exit before applying to re-enter the program for upgrade. The following information must be part of their application:</p> <ul style="list-style-type: none"> • Evidence of a minimum of 3 years work experience from date of graduation or satisfactory completion of exit clinical examinations at year 3 level at College of Medicine Nursing & Health Sciences Fiji National University, <ul style="list-style-type: none"> • FNU official transcripts of all qualifications gained to date. • Curriculum vitae highlighting continuing education post qualification • Two referee reports (one needs to be from the immediate supervisor) <p>2. Those initially enrolled in the Bachelors of Dental Surgery programme will resume studies from point of exit subject to review of the programme undertaken and previous academic and clinical performance. The following information must be part of their application:</p> <ul style="list-style-type: none"> • Official transcripts of all qualifications gained to date. • Curriculum vitae highlighting continuing education post qualification • Two referee reports (one needs to be from the immediate supervisor). <p>3. Students from any other oral health programs (from other institutions). The application should include an indication of the level at which they wish to enter the program with supporting documents as follows:</p> <ul style="list-style-type: none"> • Evidence of a minimum of 3 years work experience from date of graduation. • Official transcripts of all qualifications gained to date. • Curriculum vitae highlighting continuing education post qualification 	<p>FF</p>	<p>Additional 2-3 years after BOH2 (total 5 years) (Depending on date of graduation and courses completed)</p>
--	---	-----------	--

	<ul style="list-style-type: none"> • Two referee reports (one needs to be from the immediate supervisor). • Submit a curriculum document for the program under-taken, which clearly outlines the theoretical and clinical hours for the courses undertaken. 		
Postgraduate Diploma in Public Health Dentistry)	<ol style="list-style-type: none"> 1. Applicants must have a Diploma in Dental Surgery or a Bachelor of Dentistry(BDS) qualification or an equivalent basic dental degree. At least three years of work experience is desired but candidates who have less years of experience can apply and have their application assessed. 2. Diploma in Dental Surgery graduates can bridge for biostatistics and research methods as in the current CMNHS BDS program, or get assessed for cross credits for any other similar courses they may have undertaken. 	FF and Online	3 Semesters
Postgraduate Diploma in Oral Surgery	<ol style="list-style-type: none"> 1. Applicants must have a Bachelor of Dental Surgery or an equivalent basic dental degree registered at the Fiji Dental Council. 2. At least three years of post-qualification work experience is desired but candidates who do not have as many years of experience can apply and have their application assessed. 	FF	2 semesters

School of Public Health & Primary Care

The Department aims to provide students with both basic and an advanced knowledge and understanding of the theory and practice of Public Health and Primary Care in their communities.

Students will gain a thorough understanding of how to protect and improve the health of communities through education, promotion of healthy lifestyles, and research for disease and injury prevention. Public Health and Primary Care professionals analyse the effect on health of genetics, personal choice and the environment in order to develop programmes that protect the health of your family and community. Public Health and Primary Care courses are available at undergraduate and postgraduate levels.

NAME OF PROGRAMME	ENTRANCE REQUIREMENTS	MODE	DURATION
Certificate in Emergency Care Practice – not offered in 2017 Level 5	1. Those students that are working – but with relevant work experience and may have not reached or passed Fiji Year 13 such as Ambulance Drivers, Fire Officers, etc. 2. Demonstrate the ability to succeed at this level on the basis of maturity, work experiences or Recognition of Prior Learning [RPL] or as approved by the HOD of DPHPC.	FF	1year
Certificate in Public Health Certificate in Environmental Health Certificate in Nutrition Certificate in Health	1. Screening of applications and Interview may be required. 2. Passed English & the 3 best Science subjects in the Fiji Year 13 Examination with a minimum score of 250 for degree or an examination deemed equivalent by the Academic Board. Specific emphasis on the following four subjects to meet the entry requirement. <ul style="list-style-type: none"> • English • Biology 	FF	1 Year

<p>Services Management Certificate in Sexual and Reproductive Health Management – not offered in 2017</p> <p>Level 5</p>	<ul style="list-style-type: none"> • Chemistry • Mathematics <p>3. Candidates who have passed courses to complement their year 13 results.</p> <p>4. Screening of applications and Interview process by the respective Disciplines is recommended. 2. Obtained a Bachelor’s degree in the relevant discipline with a minimum GPA of 3.0 or equivalent. 3. Having completed the Postgraduate Diploma courses with an overall grade ‘B’ average or 65% and above in PGD. If a student cannot attain this grade, he/she needs to repeat a course or improve their marks in order to qualify to do the Masters programme. 4. Qualified for advanced standing admission as approved by the HOD of DPHPC or Programme Coordinators. 5. Mature age entry – proven record for (academic) writing for publication 6. Students enrolling straight for Masters have to have their thesis topic ready or pick from research priority in Department 7. Completed Master’s degree in related field (Humanities, Sociology, Medicine, Research, Climate Change, etc.), can apply to only to the Masters level courses (4 units). This is conditional and subject to Credit Transfer Clause under the UASR. 	<p>FF and Online/ DFL</p>	<p>4 semesters</p>

Apply now for 2017 programmes

Step 1 - Apply For A Place

Go to www.fnu.ac.fj and download the application form. Complete the application for a place in one of the three programmes of your choice before the closing date and submit for consideration.

Note: In your application, be sure to include all relevant documentation. Certified copies of your final examination results NEED to be handed to the CMNHS Academic Office, Hoodless House, Brown Street, Suva.

Regional/international students will need qualifications assessed by the South Pacific Board of Educational Assessment [SPBEA].

T: [679] 3315600 E: spbea@spbea.org.fj

Step 2 - Offer Letter

Should your application be successful, your offer letter will be posted to you. Alternatively, you can collect it from the CMNHS Academic Office or call **[679]3233305, [679] 3233302, [679] 3233301**.

Step 3 – Accept

Accept the offer for study and collect your student ID number. Contact the CMNHS ITDesk **[679] 3233010** to activate your student account and password.

Step 4 – Registration

Enrol in your chosen courses via the online Student Services system

www://application.fnu.ac.fj/CMNHSSStudent Online Alternatively, you can enrol manually at the CMNHS Academic Office and pay your compulsory and tuition fees there.

Step 5 – Orientation

Attend Orientation for your introduction into the College. The faculty will provide you with a full enrolment guide in your welcome pack.

Congratulations!

You are now a student of the College of Medicine, Nursing & Health Sciences.
