ICT60220 ADVANCED DIPLOMA OF INFORMATION TECHNOLOGY (CYBER SECURITY)

FIJI NATIONAL UNIVERSITY
National Training and Productivity Centre

NSW GOVERNMENT | TAFE NSW
RTO 90003

OVERVIEW

This qualification is delivered by National Training & Productivity Centre of Fiji National University on behalf of TAFE New South Wales (RTO 90003). TAFE NSW (RTO 90003) is the organization responsible for issuing the Australian qualification.

This qualification reflects the role of individuals in a variety of Information and Communications Technology (ICT) roles who have significant experience in specialist technical skills, or managerial business and people management skills. The cyber security specialization includes skills such as protecting sensitive data and information through security architecture and developing disaster recovery and contingency plans.
