## Welcome Message from the University Vice Chancellor

On behalf of the Fiji National University, I am pleased to extend a warm welcome to all our residential students, both new and returning. I also wish to assure you of FNU's commitment to supporting you in your academic journey.

The Division of Estates and Facilities provides accommodation in our Halls of Residence, maintenance and related support services. Food services, cleaning and security services are also provided through this Division. The Manager Accommodation, Hostel Supervisors and Student Residential Assistants are all on call to assist you with day-to-day questions and issues.

The Office of the Registrar is responsible for providing timely and quality services in overseeing the general welfare of students in Halls of Residence, which includes pastoral care, counselling services, sports, social activities and working with residents to ensure any grievances are resolved quickly and professionally. The Office of the Registrar also conducts and facilitates orientation programs at each Hall of Residence which will help to familiarise you with the services available.

We are glad to provide you with the Halls of Residence Regulations, which contain important information about living together in shared spaces with new and continuing students from Fiji and overseas. We know that many of you have left home for the first time to study in another city or town and, while there are exciting times ahead, you will need support in settling into your new lives.

Living in a Hall of Residence provides you with the opportunity to interact with students with diverse backgrounds and promotes respect and mutual understanding as you become part of a new "family" in our residential community.

For all your enquiries about living in Halls of Residence, the contact details for the Accommodation Team are provided in Part 1 of this booklet. I strongly recommend that you read the Halls of Residence Regulations, together with The University Student Academic Regulation (UASR), as understanding your rights and responsibilities will contribute greatly to making the most of your time at university.

I wish you every success in your journey with Fiji National University and welcome you to the University Halls of Residence.

**Best wishes**

**Professor Nigel Healey**  
**University Vice Chancellor**
