The background of the cover is a collage of three distinct images. The top image shows a film production scene with a male student in the foreground holding a clapperboard, and two female students in the background operating a professional video camera. The bottom-left image depicts a hairdressing or beauty classroom where a female student is styling the hair of another student who is wearing a black salon cape. The bottom-right image shows a student working at a computer, with the monitor displaying a vibrant purple sports car. A large, semi-transparent magenta triangle is positioned on the right side of the cover, partially overlapping the film and computer images.
