FNUPR – Sustainability Plan Slogan Competition

Greetings Everyone,

The Division of Capital Projects & Infrastructure is progressing towards finalizing the University's Sustainability Plan 2021-2026, which will become a key guiding document and is critical for the University given the focus on achieving the United Nations Sustainable Development Goals and meeting the objectives of the University Strategic Plan. The plan is being developed upon the three pillars of sustainability which are, **social cohesion, environmental protection, and economic performance.**

The Plan captures the four distinctive categories.

1. Administration & Governance

Integrating sustainability in University's administration and governance, including policies, programs, and resources. Creating a significant transformation requires a strong focus on improving the University's diverse culture and values.

2. Stakeholder Engagement

Focusing on engaging sustainable practices into its campus and community engagements to ensure that no one is left behind. As a result, collaborating with all stakeholders will improve sustainability and bridge the gap between FNU and the general population

3. Operations

Operational solutions for sustainability displaying institutional effort of conserving natural resources, enhancing operational efficiencies, and minimising carbon footprints.

4. Education & Research

Utilising the FNU campuses as a living lab. Embedding sustainability in the University's curriculum and research which will increase understanding the immediacy of environmental responsibility and driving knowledge on sustainability giving the students real-world skills they can use to improve the planet.

The Division of Capital Projects & Infrastructure is holding a competition to come up with a slogan for the University's Sustainability Plan. The slogan will appear not just on the Plan, but also on social media platforms. The competition is open to all staff and students with rewarding price of **\$50.00**

Criteria:

- Slogan should be between 3 to 4 words
- Must include 'FNU'
- Must be generic while addressing the three pillars of sustainability
- Must be original and not copied from any other platforms

All proposed slogans shall be submitted to eo-cpi@fnu.ac.fj. The deadline for submission is **20th of August 2021**. The top 5 slogans will be selected and referred to the Senior Leadership Team for voting the best, upon which the winner shall be announced. We invite everyone to engage and contribute their unique ideas. If you have any questions, please contact us at the provided email address.

Regards,
Director Capital Projects & Infrastructure
Niranjwan Chettiar
