

Application for ACIAR Pacific Agriculture Scholarships and Support and Climate Resilience (PASS-CR) Program 2023 - Masters by Research or Masters by Coursework (with a thesis component) and PhD for Staff Upgrade ONLY

Applications are now open for ACIAR funded postgraduate scholarships for candidates wishing to pursue a Masters (Research or Coursework) in Agriculture aligned with ACIAR Pacific research projects. Text highlighted in blue is hyperlinked to useful information for your application (internet access is required to view). Full-time staff are eligible to apply for PhD awards under PhD staff upgrade ONLY. (Scholarship **MUST** have the Dean's approval).

All applicants must identify an ACIAR project from the list provided, prepare a research intent in consultation with the relevant FNU supervisor and ACIAR Co-supervisor, and attach the following documentation with their completed application form:

- i. Certified copies of academic transcripts
- ii. Two Academic or ACIAR project leader referee letters that highlight the applicant's academic strengths and aptitude to conduct research.
- iii. Signed research intent completed after consultation with FNU supervisor and ACIAR co-supervisor
- iv. Curriculum vitae
- v. Deans approval for PhD upgrade

PLEASE INDICATE WHICH SCHOLARSHIP YOU ARE APPLYING FOR:

- MASTERS BY RESEARCH**
- MASTERS BY COURSEWORK (with a thesis component)**
- PhD – (Staff Upgrade ONLY)**

Before completing this application, please contact Dr Archibold Bakare on archibold.bakare@fnu.ac.fj to ensure you meet the eligibility criteria.

Your application will not be assessed if you do not meet the following criteria:

Masters by Research application. I have:

- A Bachelor's degree with a GPA of 3.5 or above (FNU GPA equivalent) at level 7; or
- A graduate diploma with a GPA of 3.25 or above (FNU GPA equivalent) at level 8; or
- A Masters by coursework at level 9; or
- Evidence of academic qualification and/or experience inclusive of research reports, or dissertations, or publications or other evidence that satisfies the HDRC that the applicant has developed knowledge of the field of study or cognate field and has the potential for research that is sufficient to undertake the proposed programme.

Masters by Coursework (with a thesis component): I have:

- A relevant Bachelor degree with a GPA of 3.0 or over

PhD – (Staff Upgrade ONLY) I have:

- A Bachelors degree with first or upper second class honours at level 8, including a research component compromised of a thesis; or
- A Masters degree by coursework with a GPA of 4 or above (FNU GPA equivalent) at level 9; or
- A Masters by Research degree in a relevant discipline; or
- Evidence of academic qualification and/or experience inclusive of research reports, or dissertations, or publications or other evidence that satisfies the Higher Degree by Research Committee (HDRC) that the applicant has developed knowledge of the field of study or cognate field and has the potential for research that is sufficient to undertake the proposed programme.

The medium of instruction at FNU is the English language. Students must be sufficiently fluent in English to pursue the HDR Programme. HDR students will provide evidence from undergraduate qualifications/other English qualifications that confirm their English language competency.

1. I am a citizen of and currently reside in one of the following countries: Fiji, Samoa, Tonga, Vanuatu, Solomon Islands, Kiribati or Tuvalu.
2. I have checked my eligibility with the FNU key contact (details above)
3. I have completed the research intent in consultation with my prospective supervisors, and this has also been signed by my nominated FNU supervisor and the ACIAR co-supervisor.
4. I will be able to meet the FNU and Government mandated requirements for travel to Fiji
