

FIJI NATIONAL UNIVERSITY

# VICE-CHANCELLOR'S WEEKLY MESSAGE

November 04, 2024

## Dear FNU Family

I trust you all had a restful weekend and enjoyed your Diwali celebrations with family, friends, and loved ones.

As we begin this important week, we extend our best wishes to our students as they kick-start their examinations. Your dedication and resilience have been impressive, and we are confident you will all achieve great results.

I want to take a moment to acknowledge the hard work and dedication of our faculty and staff, whose efforts have supported our students every step of the way. Let us continue working together with the same spirit of excellence that defines our university.

We also look forward to celebrating a major milestone for our College of Agriculture, Fisheries, and Forestry as it marks its 70th anniversary next month.

Tickets for the celebration are now available, and we are excited for an event that honours the college's legacy

and achievements. We invite all alumni from the Fiji College of Agriculture years, now CAFF, not to miss this occasion.

Additionally, our Pacific College of Maritime Studies will hold its graduation ceremony this Friday, marking a proud moment for our deckhand students. Congratulations on this achievement!

Your commitment and perseverance have paid off, and we wish you all the best as you enter the workforce.

Thank you, everyone. Let us continue to support each other and uphold the values of Fiji National University as we move forward together.
