## VICE-CHANCELLOR'S WEEKLY MESSAGE

21 January, 2025

### Dear FNU Family,

I would like to begin this week by reflecting on the success of last week's 2025 Fiji National University Conference on Resetting TVET & Higher Education. The discussions focused on 'The National Development Plan, and TVET Offerings at FNU, Some Directions into the Future' and 'Training for Future Development, and the Vualiku Programme. The conference raised many insightful ideas and important issues for shaping the future of education at FNU. It was a successful event, and I thank everyone who contributed to making it happen.

I also want to take this opportunity to thank all the staff and faculty who have been part of the FNU Roadshow. The first week was a success, reaching students in various locations across Viti Levu and Vanua Levu. I truly appreciate the dedication shown by everyone involved. We have made a positive impact, and I look forward to continuing this effort in the coming weeks.

To all our new students who have enrolled with FNU, welcome! This is the beginning of an exciting journey for you, and we are honoured to help guide you along the way. We look forward to supporting you in achieving your goals.

As we move into another week of the roadshow, let us continue to share information and help guide future students towards their educational goals. Your work is making a real difference, and I look forward to another week of success.

To all our staff, I wish you a productive and successful week ahead. Your hard work is what makes FNU thrive, and I am proud of all that we are achieving together.

Thank you once again, and let's continue the great work in the week ahead!
