Key Focus Areas for Philanthropy

1. Scholarships and Student Support

The FNU Foundation stands as a beacon of opportunity and transformation, dedicated to levelling the educational playing field for students from under-served communities. By offering scholarships, resources, and educational programmes, the Foundation paves a smoother path for students to pursue their aspirations without financial constraints. Education becomes a powerful vehicle for change, equipping students to contribute significantly to Fiji's future.

2. Coffee Forward Initiative

The Coffee Forward Initiative was born from a desire to nourish not just minds but bodies too. Recognising the issue of student hunger, this programme brews more than coffee—it fosters a community of care. Proceeds support free or subsidised meals and snacks for students facing food insecurity, ensuring they can focus on academics and thrive.

3. Veilomani Closet

The Veilomani Closet provides free or affordable clothing to students facing financial challenges. This initiative empowers students by enhancing their confidence and sense of belonging, ensuring they have the attire they need to pursue their educational goals.

4. Veilomani Food Pantry

The Veilomani Food Pantry addresses food insecurity, offering students access to essential nourishment without judgment. This initiative allows students to focus on their education rather than daily survival, fostering a supportive and inclusive academic community.
