

**FIJI NATIONAL  
UNIVERSITY**

# VICE-CHANCELLOR'S WEEKLY MESSAGE

**7 April, 2025**

## **Bula Vinaka FNU Vuvale,**

We began this month on a high note with the official launch of the FNU Foundation. This initiative marks a new chapter for our university as we strive to expand opportunities for students through scholarships, research grants, and community engagement projects. The overwhelming support we received from our stakeholders, alumni, and staff highlights our shared commitment to making quality education accessible to all. Thank you to everyone who contributed to this significant achievement.

This week, the College of Medicine, Nursing, and Health Sciences (CMNHS) will celebrate its annual Multicultural Week, an event that highlights the diverse backgrounds of our students and staff. This is an excellent opportunity for us to embrace the rich cultural tapestry of FNU through traditional performances, cuisine, and knowledge-sharing sessions. I encourage all members of our community to take part in this vibrant celebration.

Another exciting development is the launch of the Career Teachers' Workshop (CTW) at our Namaka Campus this Thursday. The CTW is an annual initiative of the FNU designed to equip secondary school career teachers with

the latest information and resources about FNU's academic programmes, application processes, and student support services.

The workshop aims to empower educators with the knowledge and tools needed to effectively guide their students towards technical vocational education training and higher education opportunities at FNU.

Finally, I would like to congratulate all students who will be graduating next week. Completing your academic journey is a significant achievement, and we are incredibly proud of your hard work and perseverance. Graduation is not just a culmination of years of dedication but also the beginning of new opportunities. I look forward to celebrating this special occasion with you and your families.

As always, thank you all for your contributions to our university. Let's continue working together to make FNU a hub of academic excellence, innovation, and inclusivity.

Best regards

*Professor Unaiji Nabobo-Baba*

**Vice-Chancellor**
