

ACTING VICE-CHANCELLOR'S WEEKLY MESSAGE

23 June, 2025

Bula Vinaka to you all,

I hope you are all keeping well.

Last Friday marked the start of the 2025 Fiji Showcase, and I am pleased that FNU is taking part in this important event throughout this week. Our teams are providing academic counselling, helping with Semester 2 enrolment, issuing instant offer letters, and supporting continuing students with unit registration.

Thank you to everyone involved, your efforts are helping students make confident choices about their future.

We also celebrated the graduation of students from the Pasifika Centre for Maritime Studies last week. Congratulations to all our graduates, we are proud of your achievements and look forward to the positive impact you will make in your chosen fields.

As we reach the end of Semester One, I want to sincerely thank all our staff and students. Your hard work and dedication over the past months have not gone unnoticed.

I hope you take this semester break as an opportunity to rest, reflect, and recharge.

I would also like to acknowledge our team, who have been travelling across the country delivering careers workshops to schools and communities. Your commitment to guiding young minds is truly appreciated. Best wishes as you continue this important work in the coming days.

Wishing everyone a productive and positive week ahead. Let's continue to support one another and carry the FNU spirit forward in all that we do.

Vinaka vakalevu,

Professor Nii-K Plange
