

## VICE-CHANCELLOR'S New Year Message 2026

**01 January, 2026**

**Dear FNU Vuvale,**

As the calendar year draws to an end, we pause to reflect and affirm the strategic trajectory of the Fiji National University.

2025 has been defined by decisive action, operational excellence, and the realisation of ambitious institutional objectives. Our shared successes, I attribute to the diligence of our staff, the academic ambition of our students, guidance provided by our Council, and the most valuable support of our partners and alumni. For this collective effort, I extend my most sincere appreciation.

The Strategic Plan 2024 - 2026 also approaches its final year, and as we enter a new season of institutional growth, we will continue to reflect on the many lessons learned, the challenges we have overcome, and the achievements secured. It will be used as the foundation upon which our next chapter is built.

A new year carries with it the promise of fresh beginnings. I would like to think that we are entering a season for dreamers, for achievers and for those who dare to imagine a future beyond limitation. At FNU, we will continue to walk alongside you in that journey. Whether you are beginning your academic path, advancing in your career or returning to reskill, you can be assured that FNU will stand ready to support you.

As we look ahead to 2026, I am confident that this will be a year FNU will strengthen its role as an institution of wisdom and sustainability, shaping Fiji's future through knowledge, innovation, compassion and responsible leadership.

May this new year inspire hope in your hearts, clarity in your purpose and courage in your steps. Together, let us continue to uplift one another, serve our communities and build a future guided by integrity and our institutional values.

**Stay Blessed Always!**

*Professor Unayi Nabobo-Baba*  
**Vice-Chancellor**
