Pacific Centre for Maritime Studies (PCMS)

Date: 13th May 2026  
FMF GYMNASIUM, SUVA

On behalf of the Fiji National University, I extend my sincere congratulations to the graduating Class of 2026. This is a proud moment for you, your families, and for our nation.

Across this May graduation, we celebrate **1,906 graduates**, each representing perseverance, commitment, and the transformative power of education. Notably, **991 of our graduates are women**, reflecting the continued progress towards inclusive participation and leadership of women in Fiji's development.

These achievements speak not only to individual success, but to the collective strength of our communities, the support of families, and the enduring values of the vanua. Your accomplishments are shared by all who have walked this journey with you.

As Fiji's national dual-sector university, we remain steadfast in our commitment to widening access to quality education and transforming lives across the country and the region. From urban centres to rural and maritime communities, we continue to create pathways that empower individuals and strengthen our society.

Graduates, you leave this University at a defining moment in our nation's journey. The challenges ahead are real, but so too is your responsibility. The future of Fiji will not be shaped by chance, it will be shaped by your choices, your values, and your courage.

Be grounded in who you are. Uphold integrity, even when it is difficult. Serve not for recognition, but for purpose. Lead with compassion and never forget the communities that raised you and the nation that now looks to you.

Wherever you go, carry the name of this University with pride, but more importantly, carry the responsibility that comes with it. Let your actions speak louder than your qualifications. Let your work reflect the values you stand for.

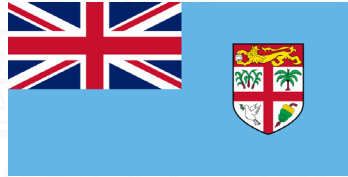

As you step into the next chapter, remember this, your education is not the end of your journey, it is your mandate to build, to serve, and to uplift others.

Go forward with courage. Go forward with purpose. Go forward knowing that you will always be part of the Fiji National University.

Congratulations, Class of 2026. Farewell, and may you continue to learn and serve with all you can.

With Very Best Wishes!
