**SEMESTER 1, 2026**

*Examination Message*

Dear Students,

As you prepare for your final examinations next week, I encourage you all to remain focused, disciplined and confident. You have worked hard throughout the semester, and now is the time to trust in your preparation and give your very best.

Please remember that your well-being is just as important as your studies. Rest well, stay hydrated, manage your time wisely, and do not be afraid to seek support from your lecturers, classmates, friends, or family when needed.

Examinations test not only what you have learnt; they also test your dedication, strength, and commitment. Believe in yourselves and keep pushing forward with determination.

On behalf of the Fiji National University vuvale, I wish you all success in your examinations. Stay positive, stay calm, and finish the semester strong.

Be Blessed!
