REGUREGU FOR LATE FORMER PRESIDENT

The late former president Ratu Josefa Iloilovatu Uluivuda was a man of the people.

Ratu Iloilo welcomed anyone and everyone who would make a courtesy call to see him or seek advice from him, says Fiji National University Vice Chancellor Doctor Ganesh Chand.

Dr Ganesh made the comment after leading the FNU delegation to present its reguregu to the late former president Ratu Josefa Iloilovatu Uluivuda at Veiseisei yesterday.

"My memories of the late former president are many. Ratu Iloilo was a man of the people always ready to listen and give advice where ever necessary," he said.

"He would never refuse anyone and would always find time for those seeking his advice, this is a character rarely found in many today.

"I was part of the University of Fiji delegation that paid him a courtesy call to inform him of our news. Ratu Iloilo gave his blessings for us to go ahead with the plans of the University."

"He was a very approachable man and always maintained a good relationship with everyone.

"He will surely be missed."
