The Fiji National University (FNU) received a timely sponsorship of sports uniforms worth over \$5,000 from Pherrus Financial Services ahead of the Fiji University Students Association (FUSA) inter-university games.

FNU Vice-Chancellor, Professor Nigel Healey said the assistance will boost the morale of the FNU teams as they prepare to defend the title.

"I would also like to acknowledge Pherrus's continuing support for the award for Best Accounting graduate, as well as for taking 17 attaches for work experience to date," said Professor Healey. Pherrus Financial Services Chief Operations Officer, Sathish Kumar handed over three sets of uniforms each to teams which will participate in the hockey, volleyball and netball competition. The presentation was done today at the FNU Main Boardroom in Nasinu Campus.

Kumar said it was the company's pleasure to be associated with the national university.

"The entire Pherrus team is ever grateful to FNU for opening its doors for us to be part of their journey," said Kumar.

"Pherrus is ever committed to making a difference in the students professional career, sports and personal life as well."

"Thank you for referring the students to our company for the attachment programme. We will strive hard to empower them in the field of Accounting and Administration so they are better prepared to face the challenges in the professional world."
